Discovered in a burns unit of a hospital in Paris, Gemetic not only healed burns and scars quickly but also improved the overall condition of the skin.

Gemetic International is a revolutionary skin care that harnesses advanced technology to apply nutrition through the skin.

Gemetic is gentle to the skin and does not strip it back. The results achieved are based on the body's ability to recover its health and harmony when its cells receive nutritional and active molecules.

Gemetic is the radically peaceful solution to skin care.
